VISITORS TESTIMONIALS

95% of visitors consider Kazakhstan Security Systems exhibition as an essential event for experience exchange, information acquisition and familiarization with new equipment and innovative solutions in security area.

Yestauletov T.T.

Head of security and protection bureau, "Kazzinc" Bukhtarminskiy Energy Complex, Serebryansk city

"The event was very helpful; we are now preparing the documents to purchase the equipment block that was presented on KSS19 exhibition. Participation in the conferences dedicated to Anti-terror protection of objects particular in energy section was very useful".

Karamuldinov Z.K.

Head of Almaty International Airport aviation security service office

"We were interested in anti-ram and vehicle barriers. Exactly this production was presented on the exhibition, we met the manufacturer representatives and attended their presentation. Everything was interesting. We could learn many topics on Anti-terror protection conference, as we are organizing anti-terrorist training annually".

Dzhiengaziyev R.E.

Senior IT security specialist of Pavlodar petrochemical plant

"Cybersecurity conference covered the troublesome topics, presentation of mr. Pitolin from Kaspersky and lecture of the center for analysis and investigations of cyber attacks were especially interesting and useful. Many technical issues were discussed. Opinion and experience exchange always gives an opportunity to look at your own work from the different angle. Besides, we could physically observe necessary equipment, particularly antidron devices and barrier installations. Thank you".

PARTICIPANTS TESTIMONIALS

Evgeniy Pitolin

Kaspersky in Kazakhstan, Central Asia and Mongolia

“We are participating this event during several years in a row and we would like to say that the level of organization, preparation and especially the quality of audience are getting more exceptional from year to year”.

Timur Mingulov

Promex Fire Protection

“So-called workshops are provided and can be used to unleash the potential of our production and opportunities. I think that KSS is a good platform for the development of business in Kazakhstan”.

Denis Logvinenko

NPO Perspective

“It is not the first time of our participation in this exhibition, it is our second KSS exhibition within the frames of security and IT-solutions. It is a great honor. We will continue participating”.

Igor Ponamarenko

NPF Mediland

“Our company is participating in Kazakhstan Security Systems exhibition for the 4th time. It is a very interesting platform where you can meet potential clients, who are hard to find due to their closed and special position”.

Fakhriddin Khalmatov

Sigur

“I want to thank the organizers for the active and fruitful meetings we had at this exhibition”.
